

Redmond High School Mustang Baseball

**2025 Banner Ads at Hartman Park
Contact Form**

Outfield banners at Les Dow Field at Hartman Park form the backdrop for the City of Redmond’s busiest baseball field, with more than 150 high school, youth, and adult baseball games played from March through October. All summer, the park’s “big field” hosts multiple tournaments that attract players and their families from all over the Pacific Northwest, including the Mickey Mantle State Tournament in July. Adding your banner to the outfield is a great way for you to generate visibility in the community while supporting Mustang baseball.
